Unlock the secrets of the Helvault!

This event is unlike anything we've ever offered, and will give your **Magic™** players the chance to participate in a unique experience that they will be sure to remember for years to come!

Event Features:

Format: The format for this Prerelease is **Sealed Deck** — six boosters of *Avacyn Restored™*. Though the set is a part of the *Innistrad™* block, it is a large set, which means that the Prerelease tournament will use **only** *Avacyn Restored* product.

Unique and Exciting Player Experience: This event will give **Magic** players the chance to open the mysterious Helvault right in your store. The Helvault is a vessel filled with additional player prizes that will take the righteous strength of your store's entire community to unlock (instructions will be provided)!

Critical: The opening of the Helvault will be much anticipated by your **Magic** community. To make sure that we can work together to deliver this great experience, it is vital that you and your organizer(s) **not** open the Helvault until the event.

Additionally, each store will receive a limited number of Helvaults, so we encourage you to offer pre-registration for this event (not every Prerelease event will have a Helvault, so we strongly encourage you to offer pre-registration for this event).

Prerelease events are great for players of all experience levels:

- Add some open dueling to encourage your new players to participate!
- Core stores may now run 3 main events while Advanced may run 6.

Again, it's **vital** to communicate to your players that not every main event will feature a Helvault.

Sign up for this event using [Wizards Event Reporter](#) today!
